

Prizes, Contests and Fun for the Kids!

Boys and girls! Watch for the BIG announcement next week. There'll be another grand Field Day in Orinda and Lafayette a week from Friday, June 25, at the Orinda Grammar School and at Lafayette Grammar School. The exact time and what will happen will be announced next week. This much we can tell you: There'll be races, and broad-jumps and contests and prizes for boys and girls — with separate contests for girls and for boys of different age groups. There will be competitions on the wonderful new pogo sticks. And contests for the best maneuvering of the Jet Thunderbolt planes — judging based on take-

off, speed in air, maneuverability and landing. Everyone will have real fun racing the new Daytona miniature racers — both on the straight-away and tether racing (using the tether attachment at the bottom of the racer with a control line). For the benefit of the Cubs who were unable to attend last Saturday's show and others, there'll be a repeat performance of the pogo stick demonstration by Frank Birch, world's champion Aero-hop rider, and others. And there will be a challenge match for the world's championship broad and high jump. Frank Birch has challenged Jimmy Go-

mez, both San Francisco boys, for the world's title. It'll be a match well worth seeing. But the most fun will be the contests among local boys and girls. Everyone has a chance for the prizes. So get your airplanes, racers and pogo sticks as fast as you can by selling subscriptions to the Lafayette Sun and Orinda Sun. Practice as much as you can — and you may be a champion.

It's Easy to Win

How can you win one or all of those grand prizes? It's easy. Just sell NEW sub-

scriptions to the Orinda Sun or Lafayette Sun — for only \$2.50 per year.

One NEW subscription — and the Jet Thunderbolt is yours.

Two NEW subscriptions and you win the Daytona miniature racer.

Four NEW subscriptions and the duraluminum Aero-hop pogo stick is your prize.

Subscription blanks with all the details are available at the Village Baby Shoppe in Orinda Village, the Orinda Sweet Shop at Orinda Crossroads; in Lafayette at the Lafayette Sun office.

Orinda Residents Await Decision Of East Bay Mud on Street Extension

Orinda residents who are seeking an extension of Las Vegas through to Charles Hill Road are withholding further action pending two further developments, according to Ted Stringer, committee head.

Supervisor Jack Cummings will soon confer with the East Bay Municipal Utility District over granting a right-of-way, approximately 800 feet by 40 feet, from Las Vegas Road to Charles Hill Road.

Stringer said the Supervisor will present petitions and the recent resolution of the Orinda Association urging that the road be

cut through for reasons of fire safety, safer school bus travel and to permit the 200 families in the Las Vegas area shorter access to the highway.

COUNTY ACTION

Stringer also said that the county is studying the problem to see what can be done.

Meanwhile, Dr. R. G. Van Nuys, president of the Montevista Improvement Association, said that his organization of Charles Hill residents contemplate no meeting in the future and hence continue their stand in opposition to the extension. The group meets twice a year, he said.

Dr. Van Nuys stated that he couldn't predict whether or not a majority of members would continue to oppose it.

STAND-PATTERS

"I do know that there are certain members who will stand pat against the move," he said. This is based on the grounds that the road, built to be used by 50 families, is too steep and narrow for heavier traffic.

East Bay Mud has taken the position that it will not grant the right-of-way so long as residents in the immediate area oppose it.

Stringer pointed out that the resolution of the Orinda Association in favor of the road extension is significant because Charles Hill spokesmen as well as those from Orinda's Las Vegas area presented their cases at the meeting.

Stringer said that there are several avenues of action remaining if East Bay Mud refuses their request.

CONDEMNATION?

One being investigated is condemnation of the land by the county.

He added that his group hopes to be able to persuade the Charles Hill people to withdraw their objection. If money is needed to purchase the right-of-way, funds would be raised, he said, since they have been informed that the county does not have sufficient funds for that purpose.

Charles Hill and Las Vegas Roads are maintained by the county.

Oak Springs Plans Party at Pool

Plans for the June 26th party for members and friends of the Oak Springs Home Association were discussed at the meeting Monday night at the Oak Springs Club House.

Almost all the membership of the Association turned out for the meeting.

Plans for the annual picnic at the Pool on July 25 were discussed. A committee for the picnic will be selected.

Committee members for the June 26th party are Galen Piepenburg, Mr. Seymour and Lee Miksell.

Park Pool Has Members Party

The Orinda Park Pool held a members party for about 25 people. The members brought their dinner and the Pool furnished coffee.

After dinner the group built a fire and enjoyed community singing led by Keene Pettengill.

Entertainment, consisting of games and contests, was provided by Charles Ward, master of ceremonies.

Patricia Ann Ellerd Shows Promise In Her Chosen Field, Commercial Art

You wouldn't think an attack of Scarlet Fever would be the beginning of a career as a commercial artist.

Patricia Ann Ellerd, an outstanding art student at Acalanes, is well on her way to such a career, and it all started when she was six years old.

During her confinement with scarlet fever, Pat's mother gave her a book of horses. Being a true horse lover, even at that early age, Pat started sketching them — and hasn't stopped since. From that time on Pat has devoted most of her leisure to drawing.

PLANS FOR FUTURE

When she graduates from Acalanes in 1951, Pat plans to attend Chenard's Art School in Los Angeles and perhaps complete a six-year course there.

She will study fashion design in particular, the field of commercial art in which she hopes to specialize.

Although she devotes most of her leisure to sketching, sixteen-

year-old Pat still finds time to go horse-back riding and swimming.

Pat is a native Californian, born in Santa Monica from where she moved at an early age to Texas. She lived in the Lone Star State until she moved to Lafayette a little over a year ago. She now resides with her parents, Mr. and Mrs. Cecil B. Ellerd, on Reliez Station Road.

METHOD OF WORK

Just how does Pat go about her art work? "I just sit down and sketch whatever I happen to feel like drawing. If I seem to hit on something, I might work on the sketch an hour or so," Pat explained.

Horses and portraits are her favorite subjects with charcoal her favorite medium of expression.

TO WORK THIS SUMMER

Pat has a busy summer mapped out for herself. She plans to get a job in an architect's office. Last summer she worked as an apprentice in the office of Ed Fox in Walnut Creek and learned how to draw floor plans.

PATRICIA ANN ELLERD is sketching one of her favorite subjects — a portrait. She hopes to continue studying art after her graduation from Acalanes and go into the field of fashion designing. (Photo by Mattson.)

There'll be Hot Dogs, Girls, Fun, Games Galore

Monday night is THE big night in Orinda as the Lions present their sensational 49-er celebration and party at the Willows from 4 p.m. to 2 a.m.

There'll be hot dogs and pretty girls... and carnival games... and reno games... and dancing... and floor show... and, ah, yes, CONNIE BOSWELL.

There'll be something doing every second... both in the roped off parking lot area in front of Milt Nelson's far famed night spot and inside as well.

There'll be fun and excitement and wonderful floor shows — particularly Orinda's Can Can Chorus, which promises an unsurpassed show.

There'll be a wonderful door prize, a GE home freezer, and people will spend millions, cause they're going to sell script.

And EVERYBODY is invited... come early, stay late, put on a pair of jeans or cottons or dress any old way you like. (Leave the kids at home, please.) Tickets sell for one buck per person.

Supervisors to Hear Request to Name Rheem Blvd

Whether or not Irvine Drive will be changed to "Rheem Boulevard" will be decided by the Board of Supervisors at its weekly meeting Monday.

On May 17 Donald L. Rheem presented a request to the Supervisors to change the name of the county road, Irvine Drive in Moraga Glorietta Unit No. 1, to Rheem Boulevard and "to designate as Rheem Boulevard a certain unnamed county road," according to the minutes of the Supervisor's meeting.

At that time, the Supervisors set June 21 as the date for a hearing. Meanwhile, notices were to be posted in the affected area.

If there is no objection, the Supervisors will, as usual, approve the application.

Two Top Students Awarded Honor

Robbin Hooper and Jerry Vurek were awarded highest honors of their class at the graduation ceremony last Friday night at the Grammar School.

In the highlight of the evening, Dick Graffis, past president of the Orinda Lions Club, sponsors of the annual award, announced the names of the two winners.

They were selected by the faculty on the basis of scholarship, sportsmanship, popularity, school service and leadership.

The faculty and student body presented each with a book.

Damage Under Investigation

John A. Davis, county probation officer, said that the recent damaging of the Adelson home in Orinda by three six-year-olds is still under investigation.

He said that no charges have been filed against them and they weren't taken into custody. The sheriff's office turned the matter over to the probation office for action.

EMERGENCY TRIP

Mrs. Eudora Smith left on an emergency trip to Galesburg, Ill. on a death in the family.

HOWDY, CHUMS, AND WHERE are you heading in your Cadillac of yesteryear? "Well, it's like this, partner, we're a-goin' to the rip-roarin' 49-er Night at the Orinda Willows Monday from 4 p.m. to 2 a.m. It's a big shindig tossed by the Orinda Lions Club — and everyone is welcome." Guess, we'd better tell you who these people are, left to right, Nate Gray, Bob Anthonisen, Mrs. Gray, Mrs. George Hartzell Jr., Mrs. George Hartzell Sr. and George Hartzell Jr. On the ground, as ever, is George Hartzell Sr. (Sun Photo by Ben Randall).

Gladys Schwatka Wins Honors At University

Mr. and Mrs. J. C. Burke of Orinda Highway are very proud of the achievement of their daughter, Mrs. Gladys Schwatka who graduated Saturday from U. C. in the school of Business Administration, not only accomplishing a four year course in two and a half years but also receiving Phi Beta Kappa honors.

After a brief two weeks vacation motoring south to Coronado and other beaches with her little daughter Susan, Gladys will begin her association with the New England Mutual Life Insurance Co., Oakland, as an agent, speaking before women's clubs to explain the terminology, legal phrasing, purposes, and benefits of the various types of life insurance policies. Gladys expects to keep up her studies and eventually to get a degree in law.

Celebrating Gladys' graduation Mr. and Mrs. Burke gave a buffet supper Sunday to which thirty guests had been invited including some of her U. C. instructors and classmates.

Vacation School Classes Continue

The first week of Orinda Community Church's vacation school is drawing to a close with an enrollment of 120 boys and girls. With a large group of helpers, Rev. Fred Morrow is conducting morning classes for children from 4 to 13 in such varied activities as story-telling, games, handicrafts and music. A final program for parents and friends of school members will be held June 24.

IN RENO

Mr. and Mrs. Jack Snow enjoyed June 10 and 11 in Reno.

Meaning of Salary Schedule Adopted At Orinda Grammar School Explained

By MRS. JOAN ERICKSON

Many of us in this community have become aware of something known as a salary schedule which has been adopted by the staff and Board of our Orinda School. Perhaps it isn't too clear in everyone's mind just what a salary schedule is, and since it was such an important step for the school to take it might be well to clarify the meaning and purpose of salary schedules.

Teaching should be recognized as a life career. Good teachers are secured and retained through the maintenance of high standards. A salary schedule defines the rate of salary and the annual increases anticipated over an extended period of years, made possible by the economic capacity of the community.

A schedule recognizes two essential factors as bases for placement and advancement of teachers, namely, years of experience and training, and also provides incentives for further professional improvement, which may be of value to them as individuals and to their assignments as teachers. Placement on the salary schedule and advancement on the basis of experience, training and merit can be administered by means of an Evaluating Committee composed of members of the staff and Board, and the Superintendent. This procedure assures teachers of just promotion and facilitates efficient administration.

The following letter was sent to the Board of Trustees of the Orinda Union School District expressing the appreciation of the teachers for their cooperation in taking this step forward.

BOARD OF TRUSTEES
Orinda Union School District
"We, the undersigned members of the faculty of the Orinda Union

School for the year 1947-1948 desire to express to the Board of Trustees our appreciation of their recent far-seeing and forward step in adopting the equitable salary schedule voted upon after months of research by a joint committee of the Board and teachers.

"We believe this schedule, among the first adopted in the Acalanes District, represents a careful weighing of desirable professional standards, reasonable requirements for individual improvement, and opportunity for advancement on a fair and equitable basis, thereby providing a program of continuous improvement of the qualifications of the teachers in the District.

"Our sincere thanks to the Board in their action, and assurance of our desire to so improve the standards of education that the Orinda Schools may point with pride in the years to come, to an outstanding community where the children receive that training so necessary to a well-rounded education and good citizenship."

Loyally,
Members of the Faculty
Orinda Union School
Ruth Lamborn, Tuulie Marttila, Mildred Parker, Theodora S. Canty, Mary J. Siefker, Paula Collings, Howard F. Kraus, Frances Davison, Frances Tighe, Agnes Gilman, Margaret K. Anderson, Logan Miles, May Summers, Roselle Howell

LEAVES FOR NEW YORK

Ruth Duvander, of O'Connor Drive, left Saturday for New York by plane. She will stay with a friend for two weeks, and then leave for Denmark where she plans to live with relatives for a year.

Orinda Welcomes the Return of Straw Hat Kids

Over 500 Little Kids and Big Kids See Pogo Stick Champs in Action

Over 500 little boys and girls, bigger boys and girls, mama-s and papa-s turned out last Saturday at the Sun Field days to see champion pogo stick riders display their abilities and to "oh and ah" at the many difficult feats performed.

In Lafayette some 336 kids and a large group of adults and in Orinda 162 people enjoyed seeing the jet Thunderbird plastic plane zoom about at the end of a fishing reel and then come down to a smooth landing on its spring controlled wheels.

RACER CAR

Eyes glistened as the kids watched the colorful Daytona miniature racing car speed along at about 15 miles per hour. On smooth cement it should go up to 20 mph.

The highlight of the show was trick champion Frang Birch riding on his Aero-hop duraluminum pogo stick — without hands and with only one leg.

Everyone applauded as the team of four boys from San Francisco broad-jumped, high jumped, raced and played tag on the sensational new pogo sticks.

Three Lafayette boys, Bill Stinton, Jesse Jarrell and Dickie Jencks, showed that the outsiders weren't the only ones who could ably handle the Aero-hop.

LOCALS WIN

In fact, Jesse and Bill copped five prizes for races, broad jump, and staying up. (In a private practice session, Jesse, an Acalanes high school student, has stayed on the pogo stick for 3,200 jumps.) And little Dickie Jencks did a mighty fine job for a tiny lad.

(Pogo sticks, the "jumpingest, flyingest little machine since the airplane," come in three sizes — for boys and girls under 85 pounds, between 85 and 125 pounds, and over 125.)

HOW TO GET THEM

The kids were told how each can win any or all of the wonderful well-made items:

One NEW subscription to the Orinda Sun or the Lafayette Sun wins the Jet Thunderbolt.

Two NEW subscriptions win the Daytona racer. It's a fast, precision-built motor, with free wheeling, rear-wheel drive and live rubber tires.

Four NEW subscriptions and the Aero-hop pogo stick is yours. It's an amazingly well-built stick with excellent springs and is made of aircraft-type duraluminum.

NEW SUBSCRIPTIONS

It was emphasized that the one-year subscriptions and money turned in had to be for new subscribers and not renewals.

Following distribution of subscription blanks, the kids (and some kids of yester-year) enjoyed popcicles. In Orinda and Lafayette the supply was exhausted and the youngsters waited patiently until re-inforcements arrived.

The children were extremely well behaved at both shows, according to the San Francisco boys.

Subscriptions may be turned in at the Village Baby Shoppe in Orinda Village or at the Lafayette Sun office in Lafayette. Prizes are on display in the Village Baby Shoppe, Orinda Sweet Shop at Orinda Crossroads, Gibson's Hardware, Mickey Meyers Market and the Lafayette Sun office.

Poor Town Hall! Straw Hat Kids Are Ready to Go

For two weeks now, hammers, paint brushes, mops, brooms, etc. have been swishing through and about Lafayette's Town Hall, being wielded by none other than (trumpets!) the kids from the Straw Hat Review.

Yep, folks, they're back and we're mighty glad to welcome them. After only one year's run, the Straw Hatters have become an institution and we hope to have them with us for many, many years to come.

And now for a few program notes on their grand opening Friday night:

"Nothing Ventured — Nothing Gained," is an all-new revue and opens under the sponsorship of Children's Hospital of the East Bay. First nighters will find the cast, led by Director Elizabeth Berryhill, in top-notch condition (or should we say shape?) with a program full of original satirical comedy and musical specialties.

News has even leaked out to the effect that the Straw Hatters will present a distinctive production of "Il Triumfo Della Norte," a newly-discovered opera all in English. And when the Straw Hatters tackle grand opera — oh, brother!

ENTERTAINMENT GUEST

Mr. and Mrs. Harold Bloom entertained Edward Greene, of New Rochelle, New York, on Sunday. Mr. Greene has been studying with the San Francisco Ballet Company.

P-X Takes Over Lafayette Food Center This Week

With the announcement that the "P-X Boys come to Lafayette," Phil Fay and Bill Marsh disclosed this week their purchase of the Lafayette Food Center grocery and produce departments from Al Mortara.

The name of the store will be changed to "P-X Market — Savings and Service the Friendly Way," according to Marsh. Bob Peck is manager.

P-X is a fast-growing, local chain, starting with two stores in Oakland, then expanding last September to an attractive store in Danville, with another almost ready to open in San Leandro and still another in the planning stage for Hayward.

In the opening announcement, the P-X boys said, "We are happy to come to Lafayette. We believe in fair dealing . . . we believe in good, healthy competition the American way. We want the standard of living to go up and will do all we can to help raise it, by low prices and friendly service. It will take awhile to put all of our policies into effect, so bear with us . . . we'll do our best."

This is the second Lafayette market to change hands in recent months, with Penny Saver becoming Super Saver.

Eagles Install New Officers

Woody Cowling turned over the president's gavel to Edward Traeger at a recent installation of officers of the Mt. Diablo Aerie of Eagles held at the Walnut Creek Memorial Building.

The group recently moved its meeting place to Walnut Creek from the Lafayette Memorial Building.

Plans were announced for a pot luck dinner to be held June 24 at 7:30 p.m. in the Walnut Creek Memorial Building.

Other new officers elected are George Sutton, vice-president; Ken McCosh, secretary; Paul Bayard, treasurer; Leon Lubker, chaplain; Roscoe Morin, conductor; Danny Coggiola, inside guard; Bob Hornback, outside guard; and Chris Nilson, C. E. Mehlsen and Howard Stevens, trustees.

SUBSCRIPTION

ONE YEAR, \$2.50 6 MONTHS, \$1.50

P. O. Box 806, Lafayette

P. O. Box 147, Orinda

Entered as second-class matter June 17, 1943, at the post office at Lafayette, California, under the Act of March 3, 1879. Printed at 1 Moraga Road, Lafayette.

Captain Sandford Sez:

Went to Livermore Rodeo on Sunday. Took four kiddies in my jeep — it was a great day for all of us. A good show, but not very well managed. The cowboys were capable and efficient, more calf roping and less calf chasing than most rodeos I have seen . . . and I have seen a great many.

We went early to endeavor to secure good seats, and after having paid the admission were forced to stand around for over an hour before being permitted to enter the stand, which was not much fun, and a darn poor start, for a decrepit, elderly, spavined old caballero like your humble servant.

The show started late. Unpunctuality is the diarrhea of success in any venture.

Either the loud speaker or the announcer or the combination of both was bad. From where we sat I could hardly understand a word. It sounded as though the announcer had a mouthful of cherries. The strain of constantly trying to hear was very tiring, so we finally bundled up long before the end and came home.

President Truman is determined to throw rocks at the Congress. I myself am not very hot about its performance to date, but I cannot refrain from quoting, "People who live in glass houses should not throw stones."

Mark Twain said that a great deal has been said about the weather, but that nothing has really ever been done about it. I think that the time has now come to speak of it some more. I met a lady last Friday morning who told me that she had moved here from San Francisco to "bask in the sun." I just jumped into my dug-out and pulled it in after me. No further comment.

When the low level tunnel was built, it was planned that motorists should not use their headlights. If you look above as you enter the tunnel you will notice a light-diffusing arrangement which was contrived to refocus the drivers' eyes quickly to the dim light in the tunnel. Many drivers switch on their lights on entering the tunnel and some don't.

I believe that either all on, or all off would be better and safer. And as to those who drive on as far as Lafayette with their headlights still on . . . that shows mighty poor control, concentration and judgment . . . in fact, to them I sez, "NUTS!"

Residents Head For Trail Ride
Three Lafayette residents have loaded horses and gear aboard their trailers and headed for the Horseman's Association trail ride which started Wednesday at Merced. This ride is of four day duration and extends the 100 miles from Merced to Yosemite. The trail is one of great beauty.
Joe Hallett is riding his Arabian, Real Silk, a great horse sired by Baraki, owned by Mrs. Alberts of Lafayette.
Mrs. Marie Doty is riding her mare, Creamer, and Mrs. Ann Whitaker is riding her pinto, Major.
Mrs. Hallett and Mary Lou Wilkinson will join the party at Yosemite, on Friday.

Afternoon, Evening Guild Cooperate To Make Annual Luncheon Success

Mrs. George Neldam with gracious hospitality opened her beautiful home and garden for the annual luncheon and program of the Women's Guild of the Orinda Community Church on June 9.

Cooperating to make a success of the occasion were the presidents of the afternoon and evening sections, Mrs. E. A. Dawson and Mrs. G. L. Harrison respectively. They were assisted by the co-hostess from both groups under the very able generalship of Mrs. C. F. Zimlock: Mrs. John Dorr, Mrs. Andy Blalock, Mrs. Madge Barns, Mrs. H. Mulligan, Mrs. H. J. Frolich, Mrs. Paul Booth, Mrs. R. B. Muse, Mrs. W. S. Dean, Mrs. Howard Lane, Mrs. Henry Harris, Mrs. S. S. Hunn, Mrs. Cheldon Allen, Mrs. A. D. Henry, Mrs. Arthur Rowman and Mrs. Harper E. Wright.

The large sale of tickets was due to the fine efforts of Mrs. Victor J. Westerfield and Mrs. W. H. Hoecker.

The program was opened by a soprano solo "Trees" by Frances Groves which set the theme for the reading which followed "Adventures in Understanding," by Mrs. Robert Hudson, introduced by Mrs. Challis Gore, who gave a splendid interpretation of this heart warming story.

Mrs. Martha Williams delighted her audience with her three numbers on the trumpet; "Carry Me Back to Old Virginia," played with open trumpet, "At Dawning" with muted trumpet, and an excerpt from the "King Carnival" played with triple tonguing. Frances Groves concluded the program with two more numbers, "Pale Moon" and "Giannina Mia." Frances's clear enunciation and beauty of tone and expression give promise in one so young of great musical achievement ahead.

Summer Schedule Begins Sunday

The summer schedule of joint church and Sunday School services is scheduled to start at Orinda Community Church Sunday morning, June 20 at 10 o'clock. The first half hour will be devoted to a service for all ages and will include stories each Sunday. Class work will follow for Junior boys and girls. Younger children will hold their own separate classes during the entire hour.

Sunday the Rev. Fred Morrow, minister of the church, is to begin a summer series of brief sermons on the Psalms, speaking on "A Tree Planted." The choir under direction of Forrest Honnold will sing Mozart's "Gloria," with Mrs. C. P. Baker at the organ.

Church Plans For Building Are Going Ahead

The Building Committee of the Orinda Community Church reports that they have asked architects to prepare several ground plans for future buildings.

"One of these plans has just been selected and returned to the architect for slight changes and further development.

Additional Sunday School space is part of the program. The committee is planning the following recommendations: That the church and community build a pre-school unit of about 1900 square feet. That a campaign be made in September to raise funds for Unit 3 to house Primary and Intermediate grades.

Investigations show that the approximate cost of the Church hall will run \$637 per square foot. Funds in hand plus pledges receivable, will almost cover the first new unit, according to an estimate by committee members.

Children Enjoy Circus Party for Bob Clifford

On June 14, Bobbie Clifford, 4, and Bickie Clifford, 7, celebrated their June birthdays by an afternoon party at their home on Orinda Highway to which 25 of their neighborhood and school friends were invited.

The children were entertained by a clever puppet show having a circus theme. The puppets were beautifully made by Helen Miller. The refreshments carried out the circus theme with three large cakes decorated with circus tents and animals and each child was given a red and white striped bag of peanuts.

William Ellermeyers Move Into New Home

Mr. and Mrs. William K. Ellermeyer just completed a home at 11 La Fond Lane, off Valley View Drive, and moved in recently. They have three sons, Billy, Bobby and Jeffrey.

Mr. Ellermeyer has been active in Boy Scout activities in Berkeley, their former home. He is northern California representative for Servel Refrigerator.

Service Held for Robert Doten

On June 1 at Mountain View Cemetery the body of Robert Doten, recently returned from overseas, was re-interred with fitting honors and loving remembrance of his family and friends.

Your Garden

IN LAFAYETTE
AND ORINDA

BY
CONSTANCE HANSEN

Last weekend I took a trip over to Ross to see the Marin Art and Garden Show. It was well worth the effort.

In fact the three of us who went together weren't nearly ready to leave for home when the time came to go. This show is a wonderful example of what can be accomplished when a number of organizations join forces to achieve a common goal, in this case a permanent setting for the exhibition of the accomplishments and methods of art and garden groups.

I was looking especially for interesting ideas in fencing and was not disappointed. Some people think of fences simply as a means of enclosure or as a barrier, but they can be so much more in a garden if their full possibilities are realized. They may be a harmonious background to show your plants off to greater advantage, or they may be ornamental in themselves.

UNIQUE FENCE

The first fence that I noticed at very unusual. The basic idea was very unusual. The basic idea was one I had seen used before, but the materials were different. Strips of tin, about eight inches wide, and painted a soft dark brown, were woven in a basket-weave pattern over and under yellow-painted one by one inch sticks about 18 inches apart.

The fence was about five feet high and capped with wood painted to match the tin strips. One section of the fences was built up higher than the rest, and instead of the woven tin, was made of some sort of pressed wood in a very light brown, and was the background for a sculptured driftwood figure.

Directly across from this exhibit was an outdoor living room designed by Helen Van Pelt, which was enclosed at the far end by a lovely fence consisting of three sections of varying height made of very large bamboo canes placed

solid side by side in frames made of two by six boards painted brown.

USE IMAGINATION

The use of grape stake fences has become so widespread that they tend to get pretty monotonous, but a little imagination will work wonders.

A fence of this material at the show formed the background for a wedding reception table and was made interesting by varying the heights of the stakes and graduating the ends so that the whole was almost gothic in effect.

An unusual detail was an opening about 18 inches square but in the fence and framed to form a shelf for a trailing ivy plant. The H. W. Nelles of Jonas Hill Road have a grape stake fence at the rear of their garden that is different and attractive. Instead of having the fence all on a line, with a gate where the path is, they have built the fence in two parts, with the path running behind the second section, which is graduated from the regular height at the far end down to three feet where it meets the path.

ANOTHER ONE

At times grape stakes have been hard to get and since it was during one of these periods when the W. A. Sohlers of Hidden Valley wanted to fence in their utility

yard, they bought redwood posts and split them, to make an attractive and different-looking fence, which makes a good-looking background for plants in the built-up plant box at its base.

Still another variation of the redwood fence, and an inexpensive one if you have a strong right arm available, is one made of split railroad ties. It's rather rough and rustic in effect, but with a gray wash to make it look weathered, it is a perfect background for flowers or foliage plants. I have a short section of this sort of fence concealing my working area, and enjoy changing the potted plants in front of it to make different pictures as the season changes.

Returning to the basket-weave fence described first, the E. R. Jeffreys on Commercial St. have been putting one up which is made of three inch redwood strips woven on sticks four feet apart. This fencing comes in eight foot sections.

Towards the end of May and into June it seems as though everyone in this region with a boundary fence has planted it with Paul Scarlet roses, which are very pretty, but you can have too much of a good thing. If you have a fence that is to be rose-covered at some future date, consider some of the other varieties, such as the ever-blooming climbing Talisman, or the single pink Dainty Bess.

Cubs, Parents Attend Big Picnic, See Orinda Team Whip W. C. 5 to 0

Orinda and Lafayette Cub Scouts and their families were among the 450 Cubs and parents attending the annual softball play-off and picnic of the Diablo District at Acalanes High School last Saturday.

The program, under the chairmanship of Joe Conley, Sr., Diablo District Commissioner of Cubbing, included the presentation of the colors, pack and den flags in a massed parade of all Cubs in this area.

This was followed by a championship softball play off, individual pack meetings and picnic.

In the afternoon, the awarding of the baseball trophy to Orinda's Pack 32, foot races and swimming took place.

The Orinda softball team had won all of their league games and

defeated Walnut Creek 6A in the finals 5-0.

French and Thain, the losing pitchers, allowed 7 hits and John Conley for the Orindans, 3. He also made a homer for the winners bringing 3 men in with him. Farquar, Orinda catcher, hit 3 for 3 in his best day at bat.

The teams included:

Orinda 32	Walnut Creek 6A
Conley	P
Farquar	C
Ed Neighbor	1B
Bob Neighbor	2B
Orr	3B
Amdisen	SS
Spiegel	R
Klement	LF

Lafayette Legion Loses 3 to 2 in 15 Inning Thriller with Martinez

Lafayette Legion nine dropped a 15 inning thriller 3 to 2 to the Martinez team in a game under the lights at the Alhambra field Tuesday night.

Martinez took an early lead when Pagini and Costanza crossed the plate on Croad's single in the third inning.

ALL TIED UP

The Lafayette Club tied it all up in the fifth frame when Dave Johnson hit a smashing single to score Dunbar and Cockerton.

That ended the runs scored until the fatal fifteenth when an error allowed Raymond to scramble home from second after two were away and it was all over after 3 hours and twenty minutes of good ball which found nary a fan leaving the park.

Clark Gelhaus made a brilliant throw in the 12th to nip a runner at home while Ken Jones had four for seven at bat to carry off the honors with the big stick.

GOOD PITCHING

Dave Johnson threw sensational ball as he whiffed 17 and al-

lowed but 4 scattered hits in his 10 innings on the mound.

Forrest Borghesani took over from there on out and pitched top ball as he struck out 5 and allowed 4 hits. George Cockerton went the route on the receiving end. Batteries for Martinez were Will Hall and Rocky Costanza.

Marjorie McCord Plays Match

"Orinda's" Marjorie McCord lost the National Junior Girls' Hardcourt Championship to Laura Lou Jahn last Saturday at the Berkeley Tennis Club.

Miss McCord, an athletic type, led the first set 4-2 and 40 love; and for a time it looked as though she would win. However, Laura Lou Jahn won 10-8, 3-6, and 11-9.

Miss McCord is the daughter of Dr. Edwin J. McCord, Orinda dentist. She helps her father in his office.

Richmond Beats Locals 16 to 10

It was definitely "one of those days" as the Lafayette Legion nine virtually handed the game to Richmond 16 to 10 in seven innings played at St. Mary's College last Saturday morning.

Fourteen of the opposition were given charity passes via walks and being hit by the pitcher to aid in the scoring column.

The local boys hit hard in spots to rack up 10 runs on five hits and seven walks.

Roy Van Den Heuvel, Forrest Borghesani and Lynn Amason did

the hurling for Lafayette with George Cockerton catching. Stang and Noce formed the Richmond battery.

LEAVES FOR DENVER

Mrs. Edna Collins of Hough Street left Sunday for a two week vacation in Denver, Colorado. She will visit her sister there and return refreshed.

FROM THE SIDELINES

By Coach Erwin Mattson

One of the big events of the year taking place as far as those interested in athletics were concerned was the recent Acalanes award assembly with spring sports coming in for attention as individuals paraded to the front.

Varsity and Bee swimmers and trackmen received the Block Letters along with the baseball team.

An individual award went to Roy Van Den Heuvel in recognition of having made the all county basketball team in the Bee division.

ALL-COUNTY STARS
Buford Feagans and Benny Strickland received trophies for being selected on the mythical all county varsity basketball five.

Varsity and Bee swimmers added championship trophies to the school's collection as did varsity track and baseball.

All in all it has been a big year for the Dons with the varsity football and basketball teams in second spot to make the year record show six championships and two seconds out of nine competitive sports.

PROPHESY

The outlook on the coming year is good although it will be doubtful if it can measure up to the past year.

Football loses many players but has the nucleus of a good squad. Much will depend on how the players from Junior Varsity shape up.

Pete Larmer, Bob London, Don Tiernan, Dick Laney, Lawrence Lucas, Marvin Lucas, Kern Matlock, Dave Johnson, Art Johnson, Larry Feagans, George Cockerton, Orlando Chiavini and Jay Forni are just a few names that will grace the varsity roster come September 1st.

BASKETBALL FORECAST

Varsity basketball will have a host of juniors along with some fine players up from the Bee squad.

Ted Hall, Lynn Amason, Larry Feagans, Roy Van Den Heuvel

and Harry Nielsen represent last year's first stringers who will be bidding for varsity spots.

Varsity basketball has a number of holdovers in Leigh Freeman, Lawrence Lucas, Cliff Lucas, Lloyd Torchio, Marshall Freeman and Stanley.

Next week we will discuss the track, swimming and baseball prospects.

Softball Line up For Next Week

Friday the gal softballers play at 7:30 p.m. and Stans Brickhouse comes up with several new faces to play an exhibition game at the Walnut Creek stadium.

Dame Rumor has it that Stans will be a real threat for league honors from here on in.

On Monday, the Service Clubs renew their feud while League leader El Rey tangles with the Legion as a second attraction.

Junior ball takes the limelight in Tuesday's opener with Arthur's and the Lions in the spotlight to be followed by the second meeting of Stans and Lafayette.

Wednesday will be a blackout with all fans heading for the Oakland Ball Park where the Oaks will dedicate the nights game to Walnut Creek where the nuts grow.

THANK YOU

The 8th grade class of the Lafayette School wishes to thank Mr. McNeil, of the McNeil Dairy, who gave the milk for the recent picnic.

The parents who chaperoned and helped prepare dinner were Mrs. E. Ranker, chairman, Mrs. C. Rucker, Mrs. C. Davis, Mrs. L. Carlson, Mrs. C. Lewis, Mrs. C. Neuman, Mrs. F. Seulerberger, Mr. W. Ellis, Mr. and Mrs. H. Smith, Mr. and Mrs. B. Pendleton, Mr. and Mrs. M. Pinnella, and Mr. and Mrs. C. Morgan.

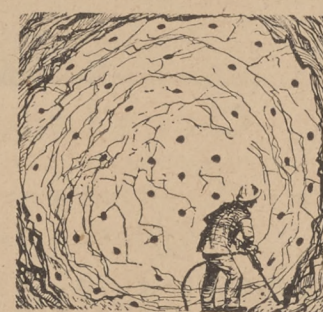

How skilled miners make dynamite behave

...shaping P.G. and E. tunnels

Have you ever wondered how engineers can blast tunnels through granite with almost pin-point accuracy? Here briefly, is how it's being done in two new P. G. and E. tunnels on the Feather River which soon will help turn out 270,000 new electrical

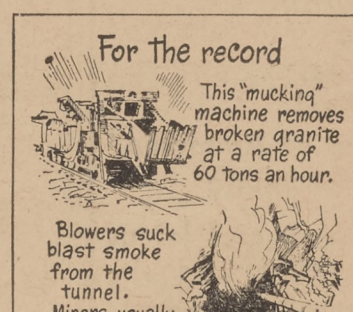

horsepower. With a drilling platform, called a Jumbo, miners drill a special pattern of holes, 12 ft. deep, into which charges of dynamite are packed. Drilling usually takes 4 hours, preparing charges another ½ hour... then they're ready to blast.

Here's a diagram of a typical pattern. Experienced engineers can predict almost exactly what will happen. All the dynamite does not explode at once. Actually, there are 10 separate explosions in a fraction of a second.

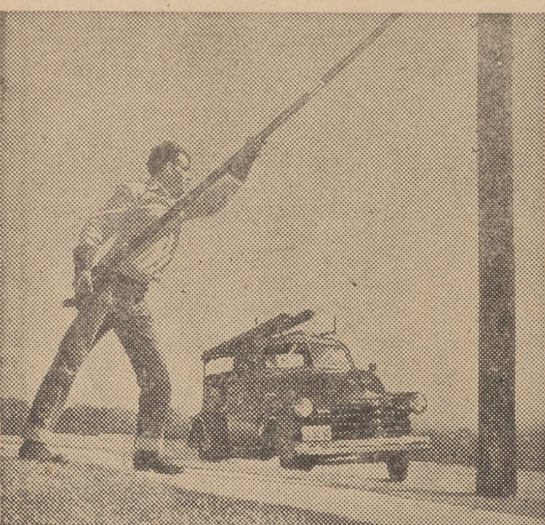

The first blast removes the core... the others shape the sides, top and bottom. It's exciting work, going full speed ahead as P. G. and E. rushes America's biggest power-building program... to meet California's needs.

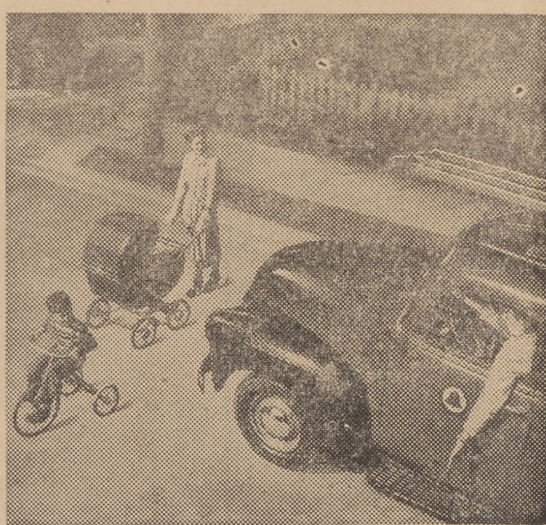

For the record
This "mucking" machine removes broken granite at a rate of 60 tons an hour.
Blowers suck blast smoke from the tunnel. Miners usually can be back at work in 30 minutes.
These tunnels are part of a huge P.G. and E. construction program which will add nearly 2 million horsepower!

THE SAFEST PLACE TO WORK

How busy telephone people kept accident rate low in communications industry

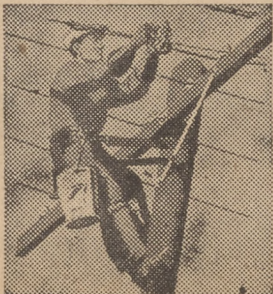

2. The pike-pole test makes sure the pole is safe to climb—before a man goes up. In 1947 rules like this made ours the safest of all Council industries with 3.33 disabling injuries per million man-hours. That's five times better than average. Pacific Telephone's score of 2.76 was better still.

3. On the road...as on the job...safety for others and for themselves comes first with Pacific Telephone people. All work with their famed safety motto in mind: "No job is so important and no service is so urgent that we cannot take time to perform our work safely."

Telephone jobs must be good jobs to attract the capable people needed to furnish good service. Good pay, steady work and an employee benefit plan give a strong sense of security. Comfortable surroundings, vacations and friendly fellow workers help make work pleasant.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Work never stops on our power-building program

Red Cross Summer Swim Campaign To Begin on June 22 at Acalanes

With the schools closing in this area, Mrs. Jos. C. Bronson reminds us that the Red Cross summer swim campaign will get under way the morning of June 22. Mrs. Bronson said that no child will be admitted without a registration card signed by his parents and that every child permitted to enter the pool must be free of skin diseases and any nervous trouble that might cause difficulty in the water.

The cards have been distributed through the ten schools in the Walnut Creek chapter territory and definite periods assigned each one. However, any child unable to attend during the designated time may enroll in any period.

The daily class schedule released by Coach Charles Eaton of Acalanes High School runs from 8:30 until 12:30 five mornings weekly beginning on Tuesday, with the last half hour devoted to adult beginners.

Schedule reads: 8:30 to 10, life saving; 9:30 to 10, intermediates; 10 to 10:30, boy beginners; 10:30 to 11, girl beginners; 11 to 11:30,

boy non-swimmers; and 11:30 to 12, girl non-swimmers.

Assistants announced to date are Mrs. Karl Pape, Lafayette, and Mrs. Elizabeth Miller, Saranap. Mrs. Miller assisted in the 1947 campaign.

Soldier Put on Probation for Traffic Death

As a result of a recent automobile accident at Acalanes Road and Mt. Diablo Blvd., Tech. Sgt. John H. Riffle, 24, of Camp Stoneman was placed on probation for one year and turned over to Army authorities.

Riffle was the driver of a car which went out of control and crashed into a tree. The accident resulted in the death of a companion, Sgt. Herbert C. Thompson, 24, of Camp Stoneman. Three other soldiers, passengers in the car, were injured in the crash.

Riffle pleaded guilty to a charge of involuntary manslaughter. Army authorities advised Superior Judge Harold Jacoby that Riffle would be sent overseas.

FLIES TO FALL RIVER

Mrs. E. L. Almeda of Lafayette left recently by plane for Fall River, Rhode Island, because of illness in the family.

MEET THE CLASS OF '48 of the Moraga Grammar School—left to right, back row, Bob Freitas and Joe Dean Tibbetts; front, Shirley Curry, Dorothea Stone and Aljean Everett. And we can't forget Lassie, who is just a bit sad cause he has two years to go before graduation. (Sun Photo by Thain).

Moraga School Elects Officers

Paul Baitz will head the student body of the Moraga Grammar School next year, following an election of officers held at the close of school.

Other officers elected include Eleanor Pimentel, vice-president; Roberta Curry, secretary-treasurer; Barbara Tibbetts, reporter; and Greg Stone and Don Nunnally, sergeants-at-arms.

For real results use our classified ad columns.

Over One Hundred In Dance Recital

More than 100 children will participate in Lila Murphy's dance recital Friday evening at the Acalanes High School Auditorium.

Children ranging from the age of four to thirteen will present ballets and tap routines.

Net profits from the tickets will go to worthy Orinda projects.

Children participating were: Heather Ambler, Langley Brooks, Patty Courtright, Louise Clendenin, Mary Lou Devin, Heidi Devin, Peggy Gompertz, Joyce Hudd, Judy Miner, Nancy Long, Marilyn Rauiche, Doris Sonnie, Patsy Stevens, Janice Everson, Lynn Pollock, Karen Collins, Bonnie Miner, Genise Inman, Susan Donovan, Margie Williams, Judith Nicolaysen, Hetty Dutra, Patty Murphy, Judy Murphy, Jill Rankin, Sally Spott, Cassandra Horton, Nancy Mott, Patricia Rahmeyer, Sally Johnson, Sherry Welch, Linda Welch, Brenda Inman, Sally Stewart, Patty Nichols, Ginny Matey, Freddie Lamb, Roxine Huntley, Susan Dee Henry, Judy Courtright, Susan Freedman, Susan Snow, Carol Curcio, Christine Romine, Mary McFarland, Ann Reilly, Linda Lancione, Joan Hever, Stephanie Jensen, Susan Libby, Peggy Kalbfleisch, Susan Allen, Diane Traverso, Julianne Edelin, Carol Johnson, Babette Ambler, Penny Marsh, Dorothy Reilly, Nancy Veitch, Patty Bond, Marty de Maeyer, Valerie Ann Silva, Rae Littlejohn, Sally Pat Freedman, Barbara Stark, Joyce Lucas, Joan Anderson, Sally Pedder, Bonnie Nason, Jean Anderson, Diana Bumgarner, Roberta

Benefit Party Given At Woodland Lodge

Woodland Lodge, the home of Mr. and Mrs. Harvey Lyon, was the setting for a bridge luncheon and swimming party Wednesday, sponsored by the Juniper Branch of the Children's Hospital of the East Bay.

The Juniper branch is one of the newer sections of the 42 which comprise the membership of the Children's Hospital. The party was given for the benefit of the hospital.

Krotz, Betty Buckle, Susan Fowler, Carol Jean Earle, Ann Kalbfleisch, Patricia Gardiner, Linda Baker, Patricia Dunnigan, Julia Dunn, Judy Murdock, Carol Hall, Elizabeth Jansse, Alice Davis, Alison Plant, Penny Pahl, Susan Wasson, Gail Dinwiddie, Leanne Butsch, Jane Colin, Patty Firestone, Terrell Menz, Moreland Menz, Janie Seulerberger, Betty Shipley, Mary Ann Lucas, Ann Ward, Judy Johnson, Marianne Somers, Kim Wilkin, Tom Morrish, Stanley Pedder, Ned Druhe, Brad Newman, and Gerry Gillivan.

Expect 15 per cent School Increase

When Acalanes' three-month summer recess ends on September 13, the high school expects to reopen with a student body increased to 850 students and an augmented faculty of 39 members.

Thus reflecting the rapid current growth of this area, the rise in enrollment will approximate 125 students, about 15 per cent, and that of the faculty will total seven additional members.

To accommodate these sharply increased numbers, construction of new classroom and shop wings, which got under way last week, was being expedited. However, the end of October, some six weeks after the resumption of instruction, was the earliest completion date foreseen by Neil M. Parsons, district superintendent.

I INSURE EVERYTHING AGAINST ANYTHING IN PARK THEATER BLDG.

LAFAYETTE 4515 OR 4677

Walnut Creek - a - la Los Angeles

Walnut Creek has borrowed a page from the manual of the Los Angeles booster boys.

Highway travelers at the end of last week noticed three attractive signs reading "Welcome to Walnut Creek — the Friendly Community" — all posted beyond the town's "city limits."

On Mt. Diablo Boulevard the sign is near the entrance to Sun Valley — in the Lafayette Fire District, School District, and in the area generally considered "Lafayette." It is located a good half mile west of Walnut Creek's city limits, although no city limit sign has yet been posted near the Hendrick's Building at the town's boundary.

The handsome sign is about 16 feet by 12, made of redwood with large metal letters painted white and four green oak trees. The letters and trees are in metal.

Other signs have been placed on the Danville Highway and the Contra Costa highway toward Martinez.

The signs cost \$515 and was a co-operative project of the town fathers and the three service clubs, which will hang their emblems.

Local wags suggest that the next one will be posted at the edge of Oakland.

Berkeley Office Has Employees Available Now

The Berkeley office of the California State Employment Service, located at 2461 Shattuck Avenue, is the designated office of the Department of Employment, for serving employers and applicants of Orinda, Lafayette, and Moraga.

The Employment Service office wishes to make it known that at the present time they have in their files men experienced in gardening, housecleaning, and all-around handy men. These men charge \$1.25 per hour, plus transportation. In addition, the job office has a few applicants who own light trucks, who wish hauling jobs.

Mrs. Marjorie Walker, Manager of the Berkeley office cordially invites applicants and employers of the Contra Costa area to visit the office. The office hours are 8:30 to 5, Mondays through Fridays.

Horse Show Attended By Large Crowd

With an estimated crowd of 1800 spectators to root for them, 121 youthful contenders in 14 classes vied spiritedly to be first place winners in the Contra Costa County Horsemen's Association 3rd Annual Children's Horse Show held June 5 in Walnut Creek.

The coveted titles of High Point Cowboy and High Point Cowgirl of the show were won by only a very slight margin over the runners-up. Celia Gray, Lafayette, piled up enough points to win the cowgirl trophy. The cowboy trophy was tied for by Jimmy Black, Oakland, and Donnie Ford, Santa Rosa, both of whom had 8 points. Miss Gray won her title on 5 points.

The two boys agreed to let a horse race between them decide which should take the trophy home. Donnie Ford won by a small margin.

Pat Pfeiffer of Orinda won second place in the musical chairs.

TRIP CALLED OFF

Friends of Mrs. Lillian Dorrington are so very sorry to learn that her long looked-forward-to trip by plane to England where at Blackpool she was to visit her parents has had to be postponed indefinitely.

Instead she has to be operated on in July at the U. C. Hospital.

ALLENS VISIT HERE

Mr. and Mrs. Fred Allen, well known former residents of Orinda, were visiting friends here for a few days. Then they left on a motor tour of the eastern states. The Allens have headquarters at San Diego but are often away on their boat or on motor trips.

HOME FROM EAST

Harriet Richards, daughter of Capt. and Mrs. A. H. Richards, of 28 Las Vegas, flew home from the east by plane June 6. She has been attending school at the Richmond Professional Institute in Richmond, Virginia.

AT CARMEL

Fred Bennett, son of Mr. and Mrs. Geo. Bennett, is spending this week with friends at Carmel. Next week the family will spend a week at Brockware on Lake Tahoe.

DINNER DANCE

Mr. and Mrs. A. T. Birr's son, Ted, entertained classmates from Piedmont High Saturday night at the Country Club. Thirty-eight guests enjoyed dinner and dancing.

Boys and Girls...It's Easy! Win an Aero-Hop! A JET THUNDERBOLT OR A DAYTONA RACER

FOR FUN - FOR HEALTH - FOR SKILL

Aero-Hop is a newly-designed modern pogo-stick, made of aircraft-type duraluminum! It's the jumpingest, flyingest little machine since the airplane!

Any boy or girl can win one for only four new 1-year subscriptions to the Lafayette Sun or Orinda Sun

OR

Win a Jet Thunderbolt or a Daytona Racer

• WHAT IS A JET THUNDERBOLT?

It's a miniature airplane that flies! And it zooms and lands just like a real plane. The Jet Thunderbolt will take plenty of punishment too, because it is made of a very tough plastic and has a special spring landing gear. It whistles as it flies, just like the P-80's. For just 1 new subscription.

• WIN A DAYTONA RACER!

A fine miniature racing auto with a fast, precision-built motor, free wheeling; light, strong plastic body; live rubber tires. It is more than a toy — it's an inspiration.

• WHO CAN WIN A JET THUNDERBOLT OR A DAYTONA RACER?

Any boy or girl can win a Jet Thunderbolt or a Daytona Racer. All you have to do is sell ONE new 1-year subscription to the Lafayette Sun or Orinda Sun for a Jet Thunderbolt, or TWO new 1-year subscriptions for a Daytona Racer.

Fill Out the Blank Below and Bring the Money to The Lafayette Sun office in Lafayette — The Village Baby Shoppe in Orinda Village.

Barbara Warren Becomes Mrs. Paul Friedrich

Barbara Jean Warren changed her name to Mrs. Paul Alfred Friedrich last Saturday, at 10 a.m. in the St. Thomas Aquinas chapel of Newman Hall in Berkeley.

"Bobbie" who is the daughter of Mr. and Mrs. C. Roy Warren, was given away by her father, Rev. Richard Walsh, C.S.P., assistant chaplain of Newman Club, officiated at the nuptial Mass.

For her bridesmaids Bobbie chose her cousin Mrs. G. D. Peterson, Mrs. Allan Maxwell Jr., Mrs. William Barnard, Jeanette Friedrich, sister of the groom, Marion McDonald and Jean Sherwood.

Maid-of-honor was Margaret Fay of Berkeley. Mrs. John Walton of Albany, sister of bride was matron-of-honor. The groom's little nephew John Fisher III of Mansfield, Ohio was ring bearer and Bobbie's niece, Mary Elizabeth Walton, was flower girl.

THE BEST MAN

The best man was Thomas Benford of San Francisco. Acting as ushers were Vernon Smith Jr., John B. Godkin, Jack Marshall, Bill Waddell, Bob Yank and Nino Calarco.

One of Bobbie's sorority sisters, Theola Mae (Teddy) Brancato sang for the service. Barbara chose to wear her sister's wedding gown of white satin. It was made with a full skirt and train and fitted bodice. Lace collar and cuffs trimmed the high neck and long sleeves. Her fingertip length veil fell from a heart-shaped headpiece. She carried a prayer book with white orchid and bouvardia streamers.

Following the ceremony the bride and groom greeted their friends in the lounge and then went to Holy Names High School to place the bouquet on the altar in the tradition of graduates of the school. A wedding breakfast was held for the bridal party at the Orinda Country Club.

ACTIVE AT CAL

Bobbie is a graduate of the University of California, Class of '47. She was active on the campus where she was a member of Phi Mu, Newman Club and Treble Clef.

She served as president of her sophomore class and was representative-at-large of the Association.

Mrs. Hickok Entertains Visiting Daughter, Family

Mr. and Mrs. George Hickok enjoyed the visit of their daughter Mrs. Mitchell L. Farrar and her husband from Takoma Park, Maryland, the past two weeks.

Mrs. Hickok had a dinner party for ten in their honor last week. The guests were Capt. and Mrs. J. Jordan and Dr. and Mrs. Frank Winters, and baby Mike, and Mr. and Mrs. Griffith.

The Griffiths, Mitchell Farrar's sister, were celebrating their anniversary that night. They live in Sun Valley Estates.

Later in the evening Mr. and Mrs. Alfred Elkinson dropped in. During the evening the Hickoks showed color slides from their recent trips.

The Farrars left Tuesday morning for home. Mr. Farrar's mother, Mrs. Alma Farrar from Berkeley, went with them.

Mrs. Farrar (the former Mildred Hickok) has continued her Scouting work in the East. She will direct the Arlington camp this summer in Virginia. She will be executive secretary of the Arlington girl scout council in the Fall.

Piano Recital Given By Mrs. Jones' Pupils

A recital for the piano students of Mrs. Reese Jones, Camino Don Miguel, was held Wednesday night at Mrs. Jones' home.

Pupils and their parents and relatives enjoyed the performance of Jane Summers, Judy Gompertz, Susan Libby, Nancy Veitch, Eddie Gathings, Shirley McAnenich and Sue Kilgo.

WEEKEND AT YOSEMITE

Mr. and Mrs. George Vurek spent the weekend of the 4th at Yosemite, staying at the Ahwanee.

ed students during her senior year. She is a member of Prytanean, Mortar Board and Phi Chi Theta honor societies.

Paul is the son of Mr. and Mrs. Alfred K. Friedrich of Montgomery St., Oakland. He served in the armed forces from 1943 to 1946 and saw action overseas with the Signal Corps. He is at present studying industrial engineering at the University.

After a brief honeymoon trip to Yosemite, the young couple will make their home in Alameda.

Jerry Blalock Travels to South

Jerry Blalock, 16 year old son of Mr. and Mrs. Andy D. Blalock, left Sunday morning by train for a long anticipated trip to Alabama. His first stop-over will be in Los Angeles. There he will en-train for New Orleans.

After a few hours of sightseeing there, he will go on to Montgomery, Alabama and from there to Selma, about 50 miles from Montgomery, where he will visit his grandmother, Mrs. A. D. Blalock, in the old home where Jerry's father was born and raised. One of the highlights of this vacation visiting will be a trip to Smyrna Beach, Florida where with his cousins, he will have the thrill of fishing, swimming, and boating. He will leave Alabama about September first.

Andy and Jeannette feel their son will not only have a very happy trip but a safe one, because Bill Worden, 9 Moraga Highway, planned the trip so well and even gave Jerry explicit directions to cover possible emergencies that might arise.

12-15 Club Plans Final Meeting Of the Season

The 12-15 Club met last week at the home of Mrs. Claude Donaldson formerly of Orinda. Mrs. Donaldson now lives in Berkeley. The meeting was a regular business meeting.

The last meeting of the year will be a picnic at Walnut Creek Art and Garden Center next Tuesday. It will be a no-host party.

Mr., Mrs. Martin Enjoy Voyage to Honolulu

Mr. and Mrs. Martin of El Sueno Road, have returned from a three weeks visit with an old friend, Mrs. Bottomley, in Honolulu. They enjoyed the sea trip on the luxurious Lurline.

While they were gone, Mr. and Mrs. Charles Harkins, former residents of Orinda and now living in San Francisco, stayed in the Martin home.

ONE BALANCES THE OTHER

...and both help balance your budget

HERE'S the shopping combination that saves time and money for a large number of people in your community:—

1. CHOOSE LOCAL STORES for daily purchases.

When you take advantage of next-door shopping convenience at home, you are served by neighbors who try hard to anticipate your needs. They appreciate your steady support. Their aim is to grow with the home community —by pleasing you.

2. CHOOSE BERKELEY STORES for merchandise not available at home.

It's only a short drive on a fine highway to Berkeley—your nearest metropolitan shopping center and one of America's 100 Largest Markets. Drive to Berkeley and...

- save on incidental traveling costs
- avoid nerve-wracking traffic and crowds
- find easier parking, compared with other Bay Area cities
- be welcomed by neighborly merchants and served by well-trained salespeople
- get what you want, from large selections, at competitive prices.

If you can't find it locally
